Night Play (Dark-Hunter Novels Book 5) By Sherrilyn Kenyon

Bride McTierney has had it with men. They're cheap, self-centered, and never love her for who she is. But though she prides herself on being independent, deep down she still yearns for a knight in shining armor.

She just never expected her knight in shining armor to have a shiny coat of fur...

Deadly and tortured, Vane Kattalakis isn't what he seems. Most women lament that their boyfriends are dogs. In Bride's case, hers is a wolf. A Were-Hunter wolf. Wanted dead by his enemies, Vane isn't looking for a mate. But the Fates have marked Bride as his. Now he has three weeks to either convince Bride that the supernatural is real or he will spend the rest of his life neutered--something no self-respecting wolf can accept...

But how does a wolf convince a human to trust him with her life when his enemies are out to end his? In the world of the Were-Hunters, it really is dog-eat-dog. And only one alpha male can win.

Editorial Review

From Publishers Weekly

Can a gorgeous werewolf with magical powers and an overweight boutique owner with a broken heart have a future together? They can in Kenyon's fantastical world, which imagines a contemporary New Orleans teeming with vampiric Daimons, immortal Dark-Hunters and various were-bears, leopards and wolves. Vane Kattalakis is a lone wolf in every sense. His brother, Fang, is in a coma; his werewolf father wants to kill him; and his mostly human mother, who was taken by force by Vane's father, would happily see them all dead. But after Vane shares a sizzling sexual encounter with Bride McTierney, he realizes his life is about to change. Bride is Vane's "predestined mate," which means that he has three weeks to convince her to be his partner or he'll spend the next several decades impotent and alone. Vane's gentle, protective manner and "ripped" body appeal to Bride, but she can't help wondering: if they were to get together, would they have puppies or babies? Kenyon's tale, while amusing at times, borders on the ridiculous. The rules of her world change constantly, and her male characters are all formed from the same tall, dark and dangerous mold. Bride, meanwhile, is a mere cipher, and though the sex scenes between her and Vane are titillating, their romance is nearly nonexistent.

From [Booklist](#)

Bride McTierney has just been dumped via FedEx. There's not much that could ease such a broken heart until Vane Kattalakis wanders into her shop and her life. Their whirlwind affair feels too good to be true. After all, her ex-beau proved men are dogs, which turns out to be a more appropriate figure of speech than Bride could ever imagine. More character driven than her previous Dark-Hunter novels, Kenyon's latest is a nice change of pace yet still chock-full of the quirky humor, complex fantasy, and searing passion that her readers love. This book's success, however, appropriately lies with Bride and Vane. It's been said of Kenyon that she knows men, but she really knows women and all our secret fears and hidden desires. She has distilled those into Bride, who is both our sister and ourselves. Then she made a man who understands and loves her, insecurities and all. Every woman should have a Vane Kattalakis in her life. Thanks to Kenyon, every woman can. *Nina Davis*
