### The Calling (Darkness Rising Book 2) By Kelley Armstrong

Maya Delaney's paw-print birthmark is the mark of what she truly is—a skin-walker. She can run faster, climb higher, and see better than nearly everyone else. Experiencing intense connections with the animals that roam the woods outside her home, Maya knows it's only a matter of time before she's able to Shift and become one of them. And she believes there may be others in her small town with surprising talents.

Now Maya and her friends have been forced to flee from their homes during a forest fire they suspect was deliberately set. Then they're kidnapped, and after a chilling helicopter crash, they find themselves in the Vancouver Island wilderness with nothing but their extraordinary abilities to help them get back home.

In *The Calling*, the sizzling second book in the Darkness Rising trilogy, *New York Times* bestselling author Kelley Armstrong pumps up the romance, danger, and suspense that left readers of *The Gathering* clamoring for more.

Praise for The Darkest Powers trilogy:

"Terrifying ghosts, smatterings of gore and diverse teen voices will prompt young adults to pick up the next in this series. . . . Teen readers might scream loud enough to raise the dead."

"Kirkus "(starred review)

### **About the Author**

When librarians finally granted Kelley Armstrong an adult card, she made straight for the epic fantasy and horror shelves. She spent the rest of her childhood and teen years happily roaming fantastical and terrible worlds, and vowed that someday she'd write a story combining swords, sorcery, and the ravenous undead. That story begins with *Sea of Shadows*.

Armstrong's first works for teens were the *New York Times* bestselling Darkest Powers and Darkness Rising trilogies. All of her novels for teens have been *New York Times* bestsellers. She lives in rural Ontario with her husband, three children, and far too many pets.
