Automotive Steering, Suspension, Alignment (6th Edition) (Automotive Systems Books) By James D. Halderman

Automotive Steering, Suspension, and Alignment, 6/e provides complete coverage of the parts, operation, design, and troubleshooting of automotive steering and suspension systems. Real examples and full color images throughout the text offer readers a practical approach to the diagnosis and repair of the NATEF tasks for the Automotive Steering, Suspension, and Alignment (A4) content area. Thoroughly revised and updated, the sixth edition has been peer reviewed by automotive instructors and experts in the field to ensure technical accuracy.

This book is part of the Pearson Automotive Professional Technician Series, which provides full-color, media-integrated solutions for today's students and instructors covering all eight areas of ASE certification, plus additional titles covering common courses. Peer reviewed for technical accuracy, the series and the books in it represent the future of automotive textbooks.
