## Fundamentals of Well-Log Interpretation: The Interpretation of Logging Data (Developments in Petroleum Science, 15b) By Oberto Serra

Conceived and written by a geologist for geologists, Fundamentals of Well-Log Interpretation is a considerably revised and updated translation of the French edition. Part 1 dealt with the acquisition of logging data and when it appeared, one reviewer wrote: ``Serra has written a major reference work which is unusually well-organized, well-illustrated, and information-rich...If volume 2 is as thorough and exacting in detail as volume 1, it will do much toward furthering geologists' knowledge of well logging." (AAPG Bulletin). The fundamental objective of this second volume is to show that wireline log data constitute a remarkable source of geological information of the utmost importance for geologists, but also for reservoir engineers, geophysicists and petrophysicists. Too often, by nature of their training, geologists do not realize that wireline log data, which are physical data, hold in fact a tremendous variety of geological information covering practically all branches of geology. They are reluctant to use these data because often they are not familiar with them and do not know how to interpret wireline logs.

### Editorial Review

#### Review

... the author's style is extremely readable and concise ... an expensive text, but, after reading it, it will seem to be worth every penny of the cost. Serious log analysts will want a copy of this book on their reference library shelves. -- *Log Analyst*

### Users Review

#### From reader reviews:

##### **Timothy Reed:**

In this 21st hundred years, people become competitive in each way. By being competitive currently, people have do something to make these individuals survives, being in the middle of the actual crowded place and notice by surrounding. One thing that often many people have underestimated the item for a while is reading. Yes, by reading a guide your ability to survive increase then having chance to endure than other is high. For you who want to start reading any book, we give you this Fundamentals of Well-Log Interpretation: The Interpretation of Logging Data (Developments in Petroleum Science, 15b) book as nice and daily reading e-book. Why, because this book is greater than just a book.

##### **Catherine Benavidez:**

Do you one among people who can't read pleasant if the sentence chained from the straightway, hold on guys this specific aren't like that. This Fundamentals of Well-Log Interpretation: The Interpretation of Logging Data (Developments in Petroleum Science, 15b) book is readable by you who hate those straight word style. You will find the info here are arrange for enjoyable looking at experience without leaving possibly decrease the knowledge that want to provide to you. The writer of Fundamentals of Well-Log Interpretation: The Interpretation of Logging Data (Developments in Petroleum Science, 15b) content conveys objective easily to understand by most people. The printed and e-book are not different in the information but it just different by means of it. So , do you nevertheless thinking Fundamentals of Well-Log Interpretation: The Interpretation of Logging Data (Developments in Petroleum Science, 15b) is not loveable to be your top checklist reading book?

##### **Fred Garza:**

The reserve untitled Fundamentals of Well-Log Interpretation: The Interpretation of Logging Data (Developments in Petroleum Science, 15b) is the book that recommended to you to learn. You can see the quality of the publication content that will be shown to a person. The language that article author use to explained their ideas are easily to understand. The article writer was did a lot of exploration when write the book, therefore the information that they share to you personally is absolutely accurate. You also could get the e-book of Fundamentals of Well-Log Interpretation: The Interpretation of Logging Data (Developments in Petroleum Science, 15b) from the publisher to make you considerably more enjoy free time.

**Richard Dean:**

This Fundamentals of Well-Log Interpretation: The Interpretation of Logging Data (Developments in Petroleum Science, 15b) is great e-book for you because the content which is full of information for you who all always deal with world and still have to make decision every minute. This specific book reveal it details accurately using great plan word or we can state no rambling sentences inside it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but difficult core information with beautiful delivering sentences. Having Fundamentals of Well-Log Interpretation: The Interpretation of Logging Data (Developments in Petroleum Science, 15b) in your hand like getting the world in your arm, information in it is not ridiculous a single. We can say that no book that offer you world in ten or fifteen small right but this publication already do that. So , this is certainly good reading book. Heya Mr. and Mrs. busy do you still doubt that?
