**Moon Tiger** By Penelope Lively

### Winner of the Man Booker Prize

Penelope Lively won Britain's prestigious Booker Prize for this deeply moving, elegantly structured novel. Elderly, uncompromising Claudia Hampton lies in a London hospital bed with memories of life fluttering through her fading consciousness. An author of popular history, Claudia proclaims she's carrying out her last project: a history of the world. This history turns out to be a mosaic of her life, her own story tangled with those of her brother, her lover and father of her daughter, and the center of her life, Tom, her one great love found and lost in war-torn Egypt. Always the independent woman, often with contentious relationships, Claudia's personal history is complex and fascinating. As people visit Claudia, they shake and twist the mosaic, changing speed, movement, and voice, to reveal themselves and Claudia's impact on their world.

### Editorial Review

From Library Journal

Lively recently won Britain's prestigious Booker Prize for this deeply moving, elegantly structured novel. The heroine is Claudia Hampton, an unconventional historian and former war correspondent who lies in a hospital bed dying of cancer. Forced inward, Claudia moves randomly across time and place to reconstruct the strata of her life. But "most lives have their core, their kernel, the vital centre"; Claudia's is the brief, tragic encounter she had in Egypt during the war with Tom Southern, a British tank officer on leave from battle. Tom's voice, along with those of her brother and daughter, joins Claudia's to shape a narrative that is a complex, intricately composed fugue. This haunting evocation of loss is Lively's finest achievement yet. Laurence Hull, Cannon Memorial Lib., Concord, N.C.

Review

"A powerful, moving and beautifully wrought novel about the ways in which lives are molded by personal memory and the collective past." —*Boston Globe*

"Emotionally, *Moon Tiger* is kaleidoscopic, deeply satisfying. The all too brief encounter between Claudia and Tom will surely rate as one of the most memorable of contemporary fictional affairs. This is one of the best novels I have read for years." —*The London Sunday Telegraph*

"It pulls us in; it engages us and saddens us. It is also unexpectedly funny . . . It leaves its traces in the air long after you've put it away." —*The New York Times Book Review*
