### Prelude to Dune Trilogy: House Atreides / House Harkonnen / House Corrino By Brian Herbert, Kevin J. Anderson

The Dune prequel series is a sequence of novel trilogies written by Brian Herbert and Kevin J. Anderson. Set in the Dune universe created by Frank Herbert, the novels take place in various time periods before and in between Herbert's original six novels, which began with 1965's *Dune*. In 1997, Bantam Books made a \$3 million deal with the authors for three Dune prequel novels, partially based upon notes left behind by Frank Herbert, that would come to be known as the *Prelude to Dune* trilogy. Starting with 1999's *Dune: House Atreides*, the duo have published ten Dune prequel novels to date. In 2011 Publishers Weekly called the series "a sprawling edifice that Frank Herbert's son and Anderson have built on the foundation of the original *Dune* novels."
