### Randall Jarrell The Complete Poems By Randall Jarrell

Poet, novelist, critic, and teacher, Randall Jarrell was a diverse literary talent with a distinctive voice, by turns imaginative, realistic, sensitive, and ironic. His poetry, whether dealing with art, war, memories of childhood, or the loneliness of everyday life, is powerful and moving. A poet of colloquial language, ample generosity, and intimacy, Jarrell wrote beautifully "of the American landscape," as James Atlas noted in *American Poetry Review*, "[with] a broad humanism that enabled him to give voice to those had been given none of their own." The *Complete Poems* is the definitive volume of Randall Jarrell's verse, including *Selected Poems* (1955), with notes by the author; *The Woman at the Washington Zoo* (1960), which won the National Book Award for Poetry; and *The Lost World* (1965), "his last and best book," according to Robert Lowell. This volume also brings together several of Jarrell's uncollected or posthumously published poems as well as his Rilke translations.
