Editorial Review

From School Library Journal

Gr 9 Up—Veronica and best friend McKenna reside in the medieval kingdom of Doon after being called from the modern world by the Protector. Veronica, now queen of Doon, has met her true love in Prince Jamie and is happy to remain in the magical world, yet she constantly questions her ability to rule the kingdom as she struggles with poor self-image resulting from her life in the modern world. McKenna who has met her true love in Duncan, Jamie's younger brother, struggles with her choice to remain in Doon because she misses the success she has experienced in her world's musical theater and the future she might have had. Meanwhile, the evil witch, Adelaide, repeatedly attempts to permanently remove the two best friends from the kingdom so she can take her place on the throne. A fierce confrontation ensues, forcing Queen Veronica to make decisions that could alter her and Doon's future. Alternating chapters of the female protagonists' first-person points of view immerse readers into the narrative. Good versus evil is adeptly explored in this installment of the "Doon" series (Blink). VERDICT Not a stand-alone, this book will appeal to fans of the series, romance, and the Brigadoon musical.—Susan Harris, Ridgeway High School, TN

Review

Praise for the Doon Series "... this retelling of Brigadoon is a dessert bar of YA romance awesomeness."—USA Today (*USA Today*)

Praise for the Doon Series "... those looking for a bit of escapism will find this book to be an enjoyable read." - School Library Journal (*School Library Journal*)

Praise for the Doon Series "... musical-theater fans will rejoice to see two heroines so well versed in their world, who drop references to many well-loved Broadway productions as they stumble their way through a medieval village, out of the mists and out of time." – Booklist (*Booklist*)

What could be worse than Vee and Mackenna having to battle the forces of evil inside the magical kingdom of Doon? Being cast out, of course. The BFFs are face-to-face with their former lives as it appears that they and their princes have been exiled from Doon, and no amount of musical theater or popular culture has prepared them for hunky Scottish rogues inside a modern-day Cabela's. Between fealty ceremonies to draw out traitors, promises of handfasting, and more, readers will thrill to the drama and intrigue of this latest installment in the Dooniverse.--Howerton, Erin Downey Copyright 2015 Booklist From Booklist, Copyright American Library Association.
