**The Deplorables' Guide to Making America Great Again** By Todd Starnes

**Winning was just the beginning. Change may start at the White House, but it finishes at *your* house.**

In *The Deplorables' Guide to Making America Great Again*, Fox News Radio host Todd Starnes reports from the front lines of the culture war in America and provides insights on what you can do to bring about real and lasting change in our nation.

We've told Washington enough is enough, and we want to change the course of the country. President Obama called us bitter. Hillary Clinton called us irredeemable. The mainstream media called us backwater bigots. We were mocked by Hollywood and dismissed by academics. We were marginalized by the media - bullied and belittled by sex and gender revolutionaries. With the election of Donald Trump, the American people have spoken.

### Editorial Review

#### Review

Todd Starnes has a pulse on today's culture and shines a discerning light on political correctness that has indoctrinated the minds of people from every walk of life. I am grateful the Lord has given Todd a platform that he faithfully uses to declare Christ's truth.

**- Franklin Graham**

**Legendary Preacher and Cultural Leader**

*The Deplorables' Guide to Making America Great Again* should be required reading for every high school student and every patriot in America. Page after page, Todd reminds us that every generation has a responsibility to defend our freedom. Todd delivers a dose of deep-fried reality served up with a heaping helping of his signature Southern humor.

**- Mike Huckabee**

**Former Arkansas Governor, Presidential Candidate, and Author**

Jesus said, "You shall know the truth, and it will set you free." Much of America is having a hard time listening to truth and finding true freedom. Check out ole Starnes's rendition of why our culture is turning away from timeless truths and turning on the messengers that espouse them.

**-Phil Robertson**

**"The Duck Commander"**

If you want to know why the Left thinks you are a "Deplorable" and what to do about it, read *The Deplorables' Guide to Making America Great Again*. Todd Starnes is a Southern-fried conservative and more importantly, a Christian, who has a gift for speaking the truth and saying it in a way that makes it memorable!

**- Jerry Johnson**

**President, National Religious Broadcasters**
