The Known World By Edward P. Jones

From Edward P. Jones comes one of the most acclaimed novels in recent memory—winner of the Pulitzer Prize for Fiction and the National Book Critics Circle Award for Fiction.

The Known World tells the story of Henry Townsend, a black farmer and former slave who falls under the tutelage of William Robbins, the most powerful man in Manchester County, Virginia. Making certain he never circumvents the law, Townsend runs his affairs with unusual discipline. But when death takes him unexpectedly, his widow, Caldonia, can't uphold the estate's order, and chaos ensues.

Edward P. Jones has woven a footnote of history into an epic that takes an unflinching look at slavery in all its moral complexities.

“A masterpiece that deserves a place in the American literary canon.”—*Time*

Editorial Review

Amazon.com Review

Set in Manchester County, Virginia, 20 years before the Civil War began, Edward P. Jones's debut novel, *The Known World*, is a masterpiece of overlapping plot lines, time shifts, and heartbreakingly detailed details of life under slavery. Caldonia Townsend is an educated black slaveowner, the widow of a well-loved young farmer named Henry, whose parents had bought their own freedom, and then freed their son, only to watch him buy himself a slave as soon as he had saved enough money. Although a fair and gentle master by the standards of the day, Henry Townsend had learned from former master about the proper distance to keep from one's property. After his death, his slaves wonder if Caldonia will free them. When she fails to do so, but instead breaches the code that keeps them separate from her, a little piece of Manchester County begins to unravel. Impossible to rush through, *The Known World* is a complex, beautifully written novel with a large cast of characters, rewarding the patient reader with unexpected connections, some reaching into the present day. -- *Regina Marler*

From Publishers Weekly

In a grabbed, powerful follow-up to his National Book Award-nominated short story collection (*Lost in the City*), Jones explores an oft-neglected chapter of American history, the world of blacks who owned blacks in the antebellum South. His fictional examination of this unusual phenomenon starts with the dying 31-year-old Henry Townsend, a former slave-now master of 33 slaves of his own and more than 50 acres of land in Manchester County, Va.-worried about the fate of his holdings upon his early death. As a slave in his youth, Henry makes himself indispensable to his master, William Robbins. Even after Henry's parents purchase the family's freedom, Henry retains his allegiance to Robbins, who patronizes him when he sets up shop as a shoemaker and helps him buy his first slaves and his plantation. Jones's thorough knowledge of the legal and social intricacies of slaveholding allows him to paint a complex, often startling picture of life in the region. His richest characterizations of Robbins and Henry are particularly revealing. Though he is a cruel master to his slaves, Robbins is desperately in love with a black woman and feels as much fondness for Henry as for his own children; Henry, meanwhile, reads Milton, but beats his slaves as readily as Robbins does. Henry's wife, Caldonia, is not as disciplined as her husband, and when he dies, his worst fears are realized: the plantation falls into chaos. Jones's prose can be rather static and his phrasings ponderous, but his narrative achieves crushing momentum through sheer accumulation of detail, unusual historical insight and generous character writing.

From [The New Yorker](#)

On a small plantation in Manchester County, Virginia, in the eighteen-fifties, a freed black man named Henry Townsend lives with his wife and the thirty-three slaves he has bought, some with the help of his former owner. This kaleidoscopic first novel depicts daily life for Henry and his friends ("members of a free Negro class that, while not having the power of some whites, had been brought up to believe that they were rulers waiting in the wings"); for the plantation's slaves, one of whom believes that he, too, will be transformed into an owner after Henry's death; and for the county's white inhabitants, who coexist uneasily with their slaves and their emancipated black neighbors. Jones has written a book of tremendous moral intricacy: no relationship here is left unaltered by the bonds of ownership, and liberty eludes most of Manchester County's residents, not just its slaves.
