The Little Copper Penny By Stephenie Barker

BIG, SHINY, COPPER, OR SMALL YOU ARE STILL WORTH IT ALL. It makes "cents" to know your worth! Little Copper Penny is sad because all the other coins say pennies are worthless. Luckily Grandpa Wheat who has been around for a very long time knows just how Little Copper Penny feels and exactly what to say to cheer him up! A charming story about accepting who you are, Stephenie Barker's The Little Copper Penny not only makes counting fun but also reminds you to know your worth, no matter what others say. Join Little Copper Penny and Grandpa Wheat for a memorable rhyme that will help you see that no matter who (or what) you are, you have value! "Stephenie has shown us that these little but mighty pennies have the ability to inspire every child, encouraging them to recognize their own uniqueness and self-worth." -Blaine Riney, Senior Loan Officer, First National Bank Mortgage

Editorial Review

Review

The Little Copper Penny is a fun way to help kids learn about the value of coins but more importantly to help them learn that everyone has value. --Dennis Fitzgerald, Banking Center Manager, Comerica Bank

Highly recommended. A fun, engaging way to introduce children to money and how to count. --Linda Greiner, author of the Sashi children's book series

Wow! What a great way to teach little ones the differing values of coins. Younger elementary students will read this book over and over. --Sheryl Dougherty, Retired Elementary/Middle School Teacher and Grandmother

About the Author

Stephenie Barker has been teaching her children the value of planning and saving money since they were very young and imparting strong principles and life guidelines to them. With The Little Copper Penny, Stephenie hopes to do the same for children everywhere and show young minds the value and importance of every little cent. She is also proud and overjoyed to see children taking a greater message away from her book: that everything and every person has value, no matter how big or small they may be.

Users Review

From reader reviews:

Alicia Hendrickson:

The book The Little Copper Penny can give more knowledge and also the precise product information about everything you want. Why must we leave the great thing like a book The Little Copper Penny? Some of you have a different opinion about reserve. But one aim this book can give many facts for us. It is absolutely suitable. Right now, try to closer with your book. Knowledge or info that you take for that, you are able to give for each other; you could share all of these. Book The Little Copper Penny has simple shape nevertheless, you know: it has great and large function for you. You can appearance the enormous world by available and read a e-book. So it is very wonderful.

Elvis Quinlan:

What do you concerning book? It is not important along with you? Or just adding material when you need something to explain what the one you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to complete others business, it is make one feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They must answer that question mainly because just their can do which. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this specific The Little Copper Penny to read.

Kim Marshall:
