Editorial Review

Amazon.com Review

Readers who have either found the Bible to be an intimidating proposition or who are so familiar with it that the words have lost their meaning will discover that Eugene Peterson's *The Message: The Bible in Contemporary Language* is a welcome way to read and reread one of the best-loved books of all time. It's directly translated from the Greek and Hebrew texts and is intentionally designed to be a reading Bible rather than a study Bible. Each of the 66 books has an introduction by Peterson, and there are no verse numbers to interrupt the flow of the passages.

The vibrant flavor of the text is evident from the opening verses of the book of Genesis: "First this: God created the Heavens and Earth--all you see; all you don't see. Earth was a soup of nothingness, a bottomless emptiness, an inky blackness."

There's renewed vigor in some of Jesus' most well-known words of the New Testament in John 3: "This is how much God loved the world: He gave his Son, his one and only son. And this is why: so that no one need be destroyed; by believing in him, anyone can have a whole and lasting life. God didn't go to all the trouble of sending his Son merely to point an accusing finger, telling the world how bad it was. He came to help, to put the world right again."

Whether it's the poetry of the Psalms, the thundering tirades of the Old Testament prophets, or the ageless words of Jesus, Peterson breathes new life into timeless passages in this fresh-voiced paraphrase. --*Cindy Crosby*

From the Publisher

Voted as "Book of the Decade" by the Academy of Parish Clergy (2003)

The Translator & His Friends

Eugene H. Peterson is a pastor, scholar, writer, and poet. After teaching at a seminary and then giving nearly thirty years to church ministry in the Baltimore area, he created The Message: a vibrant Bible contemporary translation that connects with today's readers like no other. It took Peterson a full ten years to complete. He worked from the original Greek and Hebrew texts to guarantee authenticity. At the same time, his ear was

always turned to the cadence and energy of contemporary English.

Peterson's work has been thoroughly reviewed by a team of recognized Old and New Testament scholars, who ensured that it is accurate as well as faithful to the original language.
