The Restaurant at the End of the Universe By Douglas Adams

"DOUGLAS ADAMS IS A TERRIFIC SATIRIST."

--The Washington Post Book World

Facing annihilation at the hands of the warlike Vogons is a curious time to have a craving for tea. It could only happen to the cosmically displaced Arthur Dent and his curious comrades in arms as they hurtle across space powered by pure improbability--and desperately in search of a place to eat.

Among Arthur's motley shipmates are Ford Prefect, a longtime friend and expert contributor to the Hitchhiker's Guide to the Galaxy; Zaphod Beeblebrox, the three-armed, two-headed ex-president of the galaxy; Tricia McMillan, a fellow Earth refugee who's gone native (her name is Trillian now); and Marvin, the moody android who suffers nothing and no one very gladly. Their destination? The ultimate hot spot for an evening of apocalyptic entertainment and fine dining, where the food (literally) speaks for itself.

Will they make it? The answer: hard to say. But bear in mind that the Hitchhiker's Guide deleted the term "Future Perfect" from its pages, since it was discovered not to be!

"What's such fun is how amusing the galaxy looks through Adams' sardonically silly eyes."

--Detroit Free Press

Editorial Review

From Library Journal

Warning! This second volume in the "Hitchhiker's Guide to the Galaxy" series is definitely not a standalone book. Enjoying, or even understanding, the continuing adventures of Earthling Arthur Dent, his strange pal Ford Prefect, and the very, very odd Zaphod Beeblebrox requires previous study and preparation. Confusion and possible insanity awaits the poor soul who tries to figure out the second title without having read the first. Arthur and Ford, having survived the destruction of Earth by surreptitiously hitching a ride on a Vogon constructor ship, have been kicked off that ship by its commander. Now they find themselves aboard a stolen Improbability Drive ship commanded by Beeblebrox, ex-president of the Imperial Galactic Government and full-time thief. Narrated by Adams, this production is a treat for fans of the late author and others who enjoy British comedy. Be sure to buy all five parts of the "Hitchhiker" series or your patrons will storm your office. One caveat: this audiobook will need to be repackaged for library circulation.
