Editorial Review

Review

"The proliferation of new digital equipment in the audio/video market is generating entirely new and complex problems in wiring and cabling. Lampen's material and projected format has the advantage of appealing to both the professional engineer/technician and the home enthusiast. Lampen's booklets have been bestsellers for the SBE for years - he has guru level recognition here - and this market has never been more eager for learning material." Jerry Whitaker, Technical Director, ATSC Series Advisor
