#### Review

**Praise for *Poisoned Blade*** "With strong characters and vivid worldbuilding that refuses to oversimplify individuals, cultures, and the opposing forces they represent, this sequel to *Court of Fives* (2015) blends emotional intelligence, passionate idealism, and realpolitik in a plot ending at the cliff's edge of revolutionary change. At once nuanced and thrilling--a worthy sequel." ***Kirkus Review***

"Jes makes a worthy heroine, as bold and daring as she is endearing. One of the best things about this series is that the characters--heroes and baddies alike--are vividly real, their motives and emotions often fierce but always recognizable."--***Booklist***

"The main character is the classic 'strong female warrior' archetype...and will remind most people of Katniss Everdeen.... This book deals with issues of family loyalty, standing up for one's beliefs, and self-discovery.... A solid addition to a high school collection."--***VOYA***
