Editorial Review

From the Inside Flap

The award-winning Jolly Dictionary complements the Jolly Grammar books and is designed to teach children how to look up and understand words they don't know.

Teaching children how to use a dictionary will improve reading and writing, and help them become independent learners. The dictionary has been color coded into four sections, (matching the Jolly Phonics Alphabet poster) so that children are able to find the words they are looking quickly.

A unique Pronunciation Guide is given for each of the 6,000+ age-appropriate words. The definitions have been carefully written so that children find them easy to read and understand. The Jolly Dictionary is also beautifully illustrated throughout and features Inky, Bee and Snake.

Users Review

From reader reviews:

Jimmy Maiden:

Reading a publication tends to be new life style within this era globalization. With studying you can get a lot of information that could give you benefit in your life. With book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their reader with their story or even their experience. Not only the story that share in the guides. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors these days always try to improve their ability in writing, they also doing some study before they write with their book. One of them is this Jolly Dictionary (Paperback Edition) (Jolly Grammer).

Alice Walker:

Your reading 6th sense will not betray you, why because this Jolly Dictionary (Paperback Edition) (Jolly Grammer) book written by well-known writer whose to say well how to make book that could be understand by anyone who all read the book. Written within good manner for you, still dripping wet every ideas and writing skill only for eliminate your own personal hunger then you still hesitation Jolly Dictionary (Paperback Edition) (Jolly Grammer) as good book not only by the cover but also by the content. This is one guide that can break don't assess book by its handle, so do you still needing another sixth sense to pick this!?! Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.

Hector Duggan:

Is it you who having spare time in that case spend it whole day by means of watching television programs or

just lying down on the bed? Do you need something totally new? This Jolly Dictionary (Paperback Edition) (Jolly Grammer) can be the respond to, oh how comes? A fresh book you know. You are consequently out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these textbooks have than the others?

Daniel Hutchison:

On this era which is the greater man or woman or who has ability in doing something more are more special than other. Do you want to become certainly one of it? It is just simple strategy to have that. What you are related is just spending your time not very much but quite enough to have a look at some books. One of several books in the top listing in your reading list is usually Jolly Dictionary (Paperback Edition) (Jolly Grammer). This book that is certainly qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking way up and review this guide you can get many advantages.
