Jose Silva's UltraMind ESP System By Ed Bernd Jr.

Imagine if you had a guide who actually knew what lies ahead for you, and who could guide you to success, happiness, and fulfillment.

Jose Silva's Ultramind ESP System shows you how to unlock the incredible powers of your own mind and use them to connect to a higher power and obtain the guidance you need to be successful, happy, and fulfilled.

Jose Silva believed everyone has a purpose in life, and that everyone has everything necessary to succeed at that purpose. It troubled him that so many people are unhappy, unsuccessful, unfulfilled. He developed the Ultramind ESP System to help people reach their ultimate destinies.

Jose Silva is famous for teaching people to access more and more of their brain's capacity. The Silva Method has helped millions of people access their native intuition and psychic ability by using their minds in a whole new way-on the alpha brain-wave level.

Now in the Ultramind ESP System, which Jose Silva developed just before his death, Silva teaches how to move from alpha thinking to connecting and communicating with a higher power-high intelligence.

In Jose Silva's Ultramind ESP System you will learn a series of specific self-management techniques so that you can get rid of any impediments to your success, and be better able to carry out your life's mission. While you are getting rid of any roadblocks, you will develop a specific plan to help you carry out the instructions you receive from high intelligence, your higher power.

Once you are heading in the correct direction, you will learn certain principles to help you make sure you are well on your way to success.

In this breakthrough book, you will learn Jose Silva's exciting new MentalVideo Technique, that you can use to communicate reliably and regularly with higher intelligence to obtain guidance and help in carrying out your life mission.

The UltraMind ESP System is the culmination of Jose Silva's 55 years of scientific research and practical experience as the creator of the world's Number 1 mind development program.

According to Silva, today is the time to act, not tomorrow.

Jose Silva completed his portion of this book before his passing, and it was completed by his associate Ed Bernd Jr., who coauthored Jose Silva's last 4 books with him.
