## Principles of Human Knowledge and Three Dialogues Between Hylas and Philonous (Penguin Classics) By George Berkeley

Whether viewed as extreme skepticism or enlightened common sense, the writings of Berkeley are a major influence on modern philosophy. Bishop Berkeley (1685-1753) was one of the great British empirical philosophers. He believed that the existence of material objects depends on their being perceived and *The Principles of Human Knowledge* sets out this denial of non-mental material reality. At first his views were unfavorably received by the London intelligentsia, and the entertaining *Three Dialogues between Hylas and Philonous* are a clarification of the Realist argument and a response to accusations of atheism and skepticism. In the nineteenth century John Stuart Mill wrote that he considered Berkeley's work to be of "greatest philosophic genius," and it is true to say that its Immaterialism has influenced many recent philosophers.

### **Editorial Review**

#### **Review**

"There is something beautiful about the design of this series: their portability, even their tendency to become dog-eared. And this is a welcome reprint, sensitively edited."

--Nicholas Lezard, The Guardian 22/07/1996

"the editions deserve great credit for the enthusiasm of their approach ... The introductions by eminent scholars put the thoughts of the author and the history of the time into clear perspective. Oxford should be given credit for making the classics accessible for all rather than just crib notes for students."

--Jonathan Copeland, Lincolnshire Echo 03/09/1996

#### **About the Author**

Bishop Berkeley (1685-1753) was one of the greatest British philosophers. Roger Woolhouse Roger Woolhouse is a Professor in the Philosophy Department at York University. He has written extensively about philosophy in the seventeenth and eighteenth centuries - mainly focusing on metaphysics and the philosophy of science. He is currently working on Leibniz and on Spinoza.

### **Users Review**

#### **From reader reviews:**

#### **Emile Guzman:**
