Side Jobs (Dresden Files) By Jim Butcher

With tales ranging from the deadly serious to the absurdly hilarious—including an original story for this volume—*Side Jobs* is a must-have collection for every devoted Harry Dresden fan.

As Chicago's only professional wizard, Harry Dresden has had cases that have pitted him against insane necromancers, power-hungry faerie queens, enigmatic dark wizards, fallen angels—pretty much a “who’s who” of hell and beyond—with the stakes in each case ranging from a lone human soul to the entire human race. But not *every* adventure Harry Dresden undertakes is an epic tale of life and death in a world on the edge of annihilation.

Here, together for the first time in paperback, are the shorter works of #1 *New York Times* bestselling author Jim Butcher—a compendium of cases that Harry and his cadre of allies managed to close in record time.

“One of the giants of urban fantasy...delivers some great stories in this volume...This is a great collection, featuring a hero who's proven himself over and over again, as well as delving into the odd corners of his fascinating and fantastic world. Highly recommended.”—SFRevu

Editorial Review

From Publishers Weekly

Fans of Butcher's long-running and bestselling urban fantasy series featuring Chicago wizard PI Harry Dresden were stunned by the concluding events of the 2010 novel *Changes*. They'll probably want to skip ahead to the last of this collection's 11 stories, "Aftermath," set just hours after the end of that book. With Dresden's fate uncertain, it's his longtime ally, Sgt. Karrin Murphy, who must help find a kidnapped werewolf. This entry is the collection's strongest, full of powerful emotion. The rest of the book is a mixed bag, ranging from Butcher's first attempt at short fiction--"a novice effort" that "wasn't up to par for professional publication"--to more recent tales set around and between the novels. First-timers will be lost, and this uneven volume mostly makes the case that Butcher's talent is best displayed in longer form. (Nov.) (c)

These are Butcher's short pieces about Harry Dresden. (Previous novels featuring that character, which the author's many fans will recall with pleasure, include *Proven Guilty*, 2006, and *White Knight*, 2007). Most of these stories are reprints ("Something Borrowed," "It's My Birthday, Too," "Day Off," and "Last Call" are included), but the collection offers some previously unpublished material. Butcher has not only given the genesis of each story but also indicates where each fits chronologically among the novels. Anyone who likes the Harry Dresden long works probably thinks it's high time this collection came out. Enjoy, but be warned that there is a sequel to *Changes* (2010) in the collection. --Frieda Murray

Review

Praise for the Dresden Files

"Think *Buffy the Vampire Slayer* starring Philip Marlowe."—*Entertainment Weekly*

"Fans of Laurell K. Hamilton and Tanya Huff will love this series."—*Midwest Book Review*

"Superlative."—*Publishers Weekly* (starred review)

"One of the most enjoyable marriages of the fantasy and mystery genres on the shelves."—*Cinescape*

"Butcher...spins an excellent noirish detective yarn in a well-crafted, supernaturally-charged setting. The supporting cast is again fantastic, and Harry's wit continues to fly in the face of a peril-fraught plot."—*Booklist* (starred review)

"What's not to like about this series?...It takes the best elements of urban fantasy, mixes it with some good old-fashioned noir mystery, tosses in a dash of romance and a lot of high-octane action, shakes, stirs, and serves."—*SF Site*

"A tricky plot complete with against-the-clock pacing, firefights, explosions, and plenty of magic. Longtime series fans as well as newcomers drawn by the SciFi Channel's TV series based on the novels should find this supernatural mystery a real winner."—*Library Journal*

"What would you get if you crossed Spenser with Merlin? Probably you would come up with someone very

like Harry Dresden, wizard, tough guy and star of [the Dresden Files].”—*The Washington Times*

Written within good manner for you, still dripping wet every ideas and composing skill only for eliminate your hunger then you still doubt Side Jobs (Dresden Files) as good book but not only by the cover but also with the content. This is one e-book that can break don't evaluate book by its handle, so do you still needing another sixth sense to pick this kind of!? Oh come on your reading sixth sense already alerted you so why you have to listening to an additional sixth sense.

Marion Driskell:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just small students that has reading's internal or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Side Jobs (Dresden Files) can make you sense more interested to read.
