The Legend of Miaoshan (Oxford Oriental Monographs) By Glen Dudbridge

The tale of a devout Buddhist girl who separates from her family and through suffering and death finally achieves divine status is a myth of religious celibacy, of filial piety, and of ritual salvation of the dead. It also presents a major symbol of the tension in women's lives between individual spiritual fulfillment and the imperatives of family duty. This is a new edition of the first full study of this important and influential Chinese legend.

Editorial Review

Review

The author not only organizes and presents a wealth of detail in such a way as to make the book a joy to read, he also puts it in perspective by placing the legend in its larger historical, literary, social and religious context, all the while presenting a roadmap for future scholars to examine local variations and specific conditions of the legend in text and performance. Carolyn Ford, University of Oxford

About the Author

Glen Dudbridge is Shaw Professor of Chinese, University of Oxford

Users Review

From reader reviews:

Odessa Currie:
