The Only Thing Worth Dying For: How Eleven Green Berets Fought for a New Afghanistan (P.S.) By Eric Blehm

Eric Blehm, author of the award-winning *The Last Season*, is back with another true adventure story, *The Only Thing Worth Dying For*. Set in the immediate aftermath of 9/11, *The Only Thing Worth Dying For* chronicles the untold story of the team of Green Berets led by Captain Jason Amerine that conquered the Taliban and helped bring Hamid Karzai to power in Afghanistan. In the tradition of *Black Hawk Down*, *The Only Thing Worth Dying For* is, in the words of former Congressman Charlie Wilson (from *Charlie Wilson's War*), "the one book you must read if you have any hope of understanding what our fine American soldiers are up against in Afghanistan."

Editorial Review

From Publishers Weekly

The early, relatively heroic days of the conflict in Afghanistan are memorialized in this engrossing if glamorized war saga. Blehm (*The Last Season*, a B&N Discover Award winner) follows the exploits of Capt. Jason Amerine's Special Forces team Alpha 574, which choppered into Afghanistan in November 2001 to help future Afghan president Hamid Karzai organize anti-Taliban insurgents in the south. The team's mission—to turn chaotic and perpetually stoned Pashtun tribesmen into effective soldiers—seems impossible and, ultimately, proved unnecessary. Indeed, according to Blehm's account, the Green Berets' worst enemies were other Americans: meddling CIA honchos and army brass, a do-nothing Marine officer, and the air force spotter who mistakenly called in an air strike on 574's position, with ghastly results. The author overplays the comradely bond between Karzai and Amerine, who come off as a latter-day Washington and Lafayette, but doesn't quite succeed in wringing a military epic out of what was essentially a turkey shoot. Still, Blehm's warts-and-all account of the U.S. military machine in action is full of tension, color, and real pathos. 16 pages of b&w photos. (Jan.)

Review

“Through careful reporting and crisp narrative pacing, Eric Blehm has given us a thrilling, forgotten drama from the opening chapter of the war in Afghanistan. *The Only Thing Worth Dying For* will become an enduring classic of this extraordinary theater, where so much hangs in the balance.”

From the Back Cover

On a moonless night just weeks after September 11, 2001, a U.S. Special Forces team of Green Berets known as ODA 574 infiltrated the mountains of southern Afghanistan with a seemingly impossible mission: to foment a tribal revolt and force the Taliban to surrender. Armed solely with the equipment they could carry on their backs, shockingly scant intelligence, and their mastery of guerrilla warfare, Captain Jason Amerine and his ten men had no choice but to trust their only ally, a little-known Pashtun statesman named Hamid Karzai. Having returned from exile, Karzai—on the run from the Taliban—was traveling the countryside to raise a militia.

The Only Thing Worth Dying For chronicles the most important mission in the early days of the Global War on Terror, when the men on the ground knew little about the enemy—and their commanders in Washington knew even less. With unprecedented access to surviving members of ODA 574, key war planners, and Karzai himself, award-winning author Eric Blehm cuts through the noise of politicians and high-level military officials to narrate for the first time a story of uncommon bravery and terrible sacrifice, intimately exposing the realities of unconventional warfare and nation-building in Afghanistan that continue to shape the region today.

Users Review

From reader reviews:

Dennis Byrd:

The reserve with title The Only Thing Worth Dying For: How Eleven Green Berets Fought for a New Afghanistan (P.S.) has lot of information that you can study it. You can get a lot of help after read this book. That book exist new information the information that exist in this publication represented the condition of the world currently. That is important to yo7u to be aware of how the improvement of the world. This kind of book will bring you inside new era of the internationalization. You can read the e-book in your smart phone, so you can read the item anywhere you want.

Gregg Spencer:

Playing with family in a very park, coming to see the sea world or hanging out with close friends is thing that usually you could have done when you have spare time, subsequently why you don't try point that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with.
