The Storm of War: A New History of the Second World War By Andrew Roberts

"Roberts's populist approach makes for a rollicking good read and never comes at the expense of accuracy. His mastery of the huge variety of subjects is truly impressive and his ability to marshal these subjects into a single compelling narrative stunning." —*The Daily Telegraph*

Hailed by *The Economist* as "Britain's finest military historian" for bestsellers such as *Masters and Commanders* and *Waterloo*, Andrew Roberts offers a magisterial new history of World War II and the Axis strategy that led the Germans and Japanese to their eventual defeat. Perfect for readers hoping to gain new insight into WWII's pivotal battles and campaigns, from Dunkirk to D-Day, *The Storm of War* is a powerful, penetrating, and compulsively readable examination of the causes, currents, and consequences of the Second World War.

Editorial Review

Review

“With his new book on the Second World War, British historian Andrew Roberts has not only written the single best history of that conflict but has also claimed his place as one of our top historians.”

From the Back Cover

From "Britain's finest military historian" (*The Economist*) comes a magisterial new history of World War II and the flawed axis strategy that led to their defeat.

The Second World War lasted for 2,174 days, cost \$1.5 trillion, and claimed the lives of more than 50 million people. What were the factors that affected the war's outcome? Why did the Axis lose? And could they, with a different strategy, have won? Andrew Roberts's acclaimed new history has been hailed as the finest single-volume account of this epic conflict. From the western front to North Africa, from the Baltic to the Far East, he tells the story of the war—the grand strategy and the individual experience, the cruelty and the heroism—as never before.

In researching this magnificently vivid history, Roberts walked many of the key battlefields and wartime sites in Russia, France, Italy, Germany, and the Far East, and drew on a number of never-before-published documents, such as a letter from Hitler's director of military operations explaining the reasoning behind the Führer's order to halt the Panzers outside Dunkirk—a delay that enabled British forces to evacuate. Roberts illuminates the principal actors on both sides and analyzes how they reached critical decisions. He also presents the tales of many little-known individuals whose experiences form a panoply of the extraordinary courage and self-sacrifice, as well as the terrible depravity and cruelty, of the Second World War.

Meticulously researched and masterfully written, *The Storm of War* gives a dramatic account of this momentous event and shows in remarkable detail why the war took the course it did.

About the Author

Andrew Roberts is the author of *Masters and Commanders* and *A History of the English-Speaking Peoples Since 1900*. His other books include *Napoleon and Wellington*, *Eminent Churchillians*, and *Salisbury*, which won the Wolfson History Prize. A Fellow of the Royal Society of Literature, he holds a PhD in history from Cambridge University and writes regularly for *The Wall Street Journal* and *The Daily Beast*. He lives in New York City.

Users Review

From reader reviews:

Laverne Dunbar:

What do you think about book? It is just for students because they are still students or it for all people in the world, the particular best subject for that? Merely you can be answered for that query above. Every person has different personality and hobby for every other. Don't to be compelled someone or something that they

don't desire do that. You must know how great and important the book *The Storm of War: A New History of the Second World War*. All type of book could you see on many resources. You can look for the internet options or other social media.

Kristopher Lewis:

In this 21st millennium, people become competitive in most way. By being competitive now, people have do something to make these survives, being in the middle of the crowded place and notice through surrounding. One thing that occasionally many people have underestimated it for a while is reading. Sure, by reading a e-book your ability to survive improve then having chance to endure than other is high. For yourself who want to start reading a book, we give you this kind of *The Storm of War: A New History of the Second World War* book as basic and daily reading publication. Why, because this book is usually more than just a book.

Pierre Winter:

Reading a publication tends to be new life style on this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their own reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on this planet always try to improve their proficiency in writing, they also doing some exploration before they write to their book. One of them is this *The Storm of War: A New History of the Second World War*.

Dianne Haire:

As we know that book is significant thing to add our know-how for everything. By a e-book we can know everything we would like. A book is a range of written, printed, illustrated or maybe blank sheet. Every year had been exactly added.
