Animal Feeding and Nutrition By JURGENS MARSHALL H, BREGENDAHL KRISTJAN

"Animal Feeding and Nutrition" by Marshall H. Jurgens, is written in a clear and concise outline format, reducing the vast amount of reading sometimes necessary for complete coverage of feeding practices. This edition is organized around four basic topics, giving your students all the information they'll need to understand the applied concepts of animal feeds and feeding methods: The Nutrients - classifications, recommended levels, and an up-to-date review of nutrients and digestion; Feedstuffs and Feed Additives - classification, characteristics, preparation, feeding laws and regulation; Procedures in Ration Formulation; Feeding Requirements and Guides - updated nutrition requirement tables for swine, beef, dairy, sheep, horses, poultry, dogs, and cats. Choose "Animal Feeding and Nutrition" for these unique features: examples of various problem-solving and ration-formulation techniques that help your students with procedures in mathematical solutions; expanded information on implants for growth stimulation; and updated information on feeding systems.

Editorial Review

Review

"The nutrition students find the text informative and concise. I think it is a very good book for beginning Animal Nutrition" Roy Johnson Agriculture Department College of the Ozarks

Users Review

From reader reviews:

Matthew Dealba:

Information is provisions for people to get better life, information currently can get by anyone with everywhere. The information can be a understanding or any news even a huge concern. What people must be consider whenever those information which is inside the former life are challenging to be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you receive the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take Animal Feeding and Nutrition as your daily resource information.

Adela Valenti:

Hey guys, do you really wants to finds a new book to see? May be the book with the name Animal Feeding and Nutrition suitable to you? Typically the book was written by renowned writer in this era. The particular book untitled Animal Feeding and Nutritionis one of several books this everyone read now. That book was inspired many men and women in the world. When you read this guide you will enter the new age that you ever know before. The author explained their strategy in the simple way, consequently all of people can easily to understand the core of this publication. This book will give you a lots of information about this world now. So that you can see the represented of the world on this book.

Donna Nichols:

Animal Feeding and Nutrition can be one of your beginner books that are good idea. We recommend that straight away because this guide has good vocabulary that will increase your knowledge in vocabulary, easy to understand, bit entertaining but still delivering the information. The article writer giving his/her effort that will put every word into satisfaction arrangement in writing Animal Feeding and Nutrition however doesn't forget the main stage, giving the reader the hottest along with based confirm resource data that maybe you can be among it. This great information can drawn you into new stage of crucial pondering.

Ralph McClure:

This Animal Feeding and Nutrition is great reserve for you because the content and that is full of information for you who have always deal with world and possess to make decision every minute. This book reveal it info accurately using great coordinate word or we can say no rambling sentences included. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but tricky core information with splendid delivering sentences. Having Animal Feeding and Nutrition in your hand like keeping the world in your arm, facts in it is not ridiculous 1. We can say that no e-book that offer you world with ten or fifteen second right but this publication already do that. So , this really is good reading book. Hi Mr. and Mrs. occupied do you still doubt in which?
