Editorial Review

Review

'Practical Clinical Oncology is the right size, organized into punchy paragraphs and covers the field. Perfect. I think it is the best book on the subject I have seen. It moves along and is not boring. I find much of the perspectives in agreement with my own.' A. Robert Kagan, Kaiser Permanente Medical Center, Los Angeles

'I very much enjoyed reading through this text ... it does a fantastic job of providing a comprehensive yet concise overview of cancer (diagnosis to therapy) ... this text fills the gap between the two and provides a better understanding of chemotherapeutics' Magan DeHaan, Resident, Radiation Oncology, Kaiser Permanente, Los Angeles
