**Robert's Rules of Order Newly Revised** By Henry M. Robert III, Daniel H. Honemann, Thomas J. Balch

*Robert's Rules of Order* is the book on parliamentary procedure for parliamentarians and anyone involved in an organization, association, club, or group and the authoritative guide to smooth, orderly, and fairly conducted meetings and assemblies. This newly revised edition is the only book on parliamentary procedure to have been updated since 1876 under the continuing program of review established by General Henry M. Robert himself, in cooperation with the official publisher of *Robert's Rules*. The eleventh edition has been thoroughly revised to address common inquiries and incorporate new rules, interpretations, and procedures made necessary by the evolution of parliamentary procedure, including new material relating to electronic communication and “electronic meetings.”

### Editorial Review

#### Review

*A powerful brand name and an American classic.* --New York Times Book Review

#### About the Author

**Sarah Corbin Robert** was the daughter-in-law of the original author and the trustee of *Robert's Rules of Order, Revised*. She headed the authorship team that produced the most extensive general revision of the work. **Henry M. Robert III** is the grandson of General Henry M. Robert and has served as president of the Maryland Association of Parliamentarians and as parliamentarian for the National Association of Parliamentarians (NAP). **William J. Evans**, a retired attorney, was president of NAP from 1979 to 1981 and has also served as its parliamentarian. **Daniel H. Honemann** is an attorney in Maryland and a past president of the Maryland Association of Parliamentarians. **Thomas J. Balch** is a lobbyist and legislative analyst based in Washington, DC, who also served as parliamentarian for NAP.

This is indeed an almost verbatim recording of the reference book that virtually all deliberative bodies use to maintain order at meetings. The dry and technical writing is what you'd expect from such a manual and, all in all, it's very understandable, especially as narrated by the enthusiastic and fresh sounding Meza. But it will be difficult to use as a reference audio--how can you access the section you need without a written table of contents? Aspiring Robert's Rules experts would be aided by such a menu, and perhaps by an introduction or rationale for each type of rule, in addition to the rules themselves.
