The Day Human Way (The Day Human Trilogy) (Volume 3) By B. Kristin McMichael

Devin thought his stay with the sidhe would be short. That soon changed when he found out that he loved Nessa, but love just might not be enough. She has other suitors, and Devin isn't sure if he wants to go through that again. Too bad for him, suitors are the least of his problems. On the eve of Nessa's coronation, Devin finds himself framed for using magic he doesn't possess. With his unique sidhe powers, he's the only one who knows that the magic harming people around Nessa comes not from nature, but from the witches. Good thing Devin knows a witch or two himself, but will it be in time to save everything and get Nessa on the throne?
