The Return: Shadow Souls: The Vampire Diaries By L. J. Smith

On the run . . .

Elena Gilbert's love, the vampire Stefan Salvatore, has been captured and imprisoned by demonic spirits who are wreaking havoc in Fell's Church. While her friends Bonnie and Meredith explore the evil that has taken over their town, Elena goes in search of Stefan.

In order to find him, she entrusts her life to Stefan's brother, Damon Salvatore, the handsome but deadly vampire who wants Elena, body and soul. Along with her childhood friend Matt, they set out for the slums of the Dark Dimension, where Stefan is being held captive. It is rumored to be a world where vampires and demons roam free, but humans must live enslaved to their supernatural masters. . . .

Elena will stop at nothing to free Stefan. Yet with each passing day the tension between Elena and Damon grows, and she is faced with a terrible decision: Which brother does she really want?

Back in Fell's Church, Bonnie and Meredith have made some dire discoveries. They hastily try to follow Elena and warn her—only to be caught up in Elena's most dangerous adventure yet.

Editorial Review

From School Library Journal

Gr 9 Up—This second installment in a "Vampire Diaries" subseries picks up exactly where *Nightfall* (HarperTeen, 2009) left off. The evil kitsune twins, Shinichi and Misao, have descended on Fell's Church and inflicted pain and suffering on the community. Even the mighty Damon was tricked into helping them kidnap Stefan and imprison him in the "Dark Dimension." Damon regrets being involved in his brother's demise and agrees to take Elena with him to rescue Stefan from his hellish prison. This trip isn't easy and the riddlelike clues are twisted and confusing. They are joined by Meredith and Bonnie and enter the "Dark Dimension," a place where humans are the slaves of vampires, demons, and kitsunes. Allying themselves with all sorts of characters, they must find Stefan, launch a rescue mission, and somehow get themselves back to Fell's Church. Smith's tale lacks the intrigue and appeal of the original series. The plot is disjointed and confusing, making certain parts slow and difficult to follow. The most promising development is between Elena and Damon. Damon shows his vulnerability by revealing to Elena the true depth of his feelings for her. As they become closer, Elena must come to terms with her feeling for both brothers and where her love truly lies.
