## Twitch Upon a Star: The Bewitched Life and Career of Elizabeth Montgomery By Herbie J Pilato

Based on author Herbie J Pilato's exclusive interviews with Elizabeth Montgomery prior to her death in 1995, *Twitch Upon a Star* includes insider material and commentary from several individuals associated with her remarkable life and career before, during, and after *Bewitched*, including her classic feature films *The Court Martial of Billy Mitchell* (1955), *Who's Been Sleeping In My Bed?* (1963), and *Johnny Cool* (1963).

Two of Montgomery's many popular TV movies, *A Case of Rape* (which remains one of the highest-rated TV-movies of all time) and *The Legend of Lizzie Borden* (which will soon be remade as a feature film), were groundbreaking and remain classics. But *Twitch Upon a Star* also goes behind the scenes to explore Montgomery's political activism, including her early advocacy for AIDS sufferers and the peace movement; her support for all minorities, including the gay community and the disabled; and her controversial participation as narrator of the 1988 feature film documentary *Cover-Up* and its 1991 Oscar-winning sequel, *The Panama Deception* (both of which chronicled the Iran/Contra scandal of the 1980s). The book also explores Montgomery's tumultuous relationships with her father, screen legend Robert Montgomery (she was a liberal; he was a staunch conservative), and her four husbands (including actor Gig Young, who later died in a murder/suicide). Through it all—and to family and friends such as fellow performers Ronny Cox, Sally Kemp, and Florence Henderson—she was just Lizzie: down-to-earth and unaffected, just like *Samantha*, the "witch-with-a-twitch" *Stephens*, her most famous role.

I encourage everyone to read Pilato's astounding, loving, riveting, eye-opening book. (Lydia Cornell, star of classic TV's *Too Close for Comfort*, comedienne, and women and children's advocate)

The way Herbie J Pilato tells it, Elizabeth Montgomery just didn't have guts, she had balls. She was kind to those she felt deserved it but had no qualms about setting others straight. Who'd'a thunk that sweet little Samantha had such chutzpah? (Larry Brody, veteran TV writer and producer (*Baretta*, *Diagnosis: Murder*, *The Fall Guy*, and more))

Not only has *Bewitched*'s Samantha Stephens influenced hundreds of female TV characters and the actresses

Herbie J Pilato, one of the great students of classic TV, spins a compelling narrative that brings to life a magical TV series and its even more magical star. (Kathy Garver, film, TV, and stage star (Cissy on the classic Family Affair TV series); author, The Family Affair Cookbook and Surviving Cissy; and speaker)
